Maharashtra, India

Dear Sameer & Kirti,

It was a pleasure meeting you both and to discuss your / your family's entrepreneurial journey over the last few decades. Your passion, deep knowledge and your learning attitude is indeed very impressive and I can say a young couple like you can be an inspiration to our new generation who are waiting to start their entrepreneurial journey especially in the manufacturing space. I wish you all the very best in all your endeavours.

Sincerely,

Navin Agarwal
